HIS HOLINESS POPE FRANCIS
An Excerpt from the GENERAL AUDIENCE
Paul VI Audience Hall — Wednesday 1 August 2018

Dear brothers and sisters: As we resume our catechesis on the Ten Commandments, we now consider the first commandment: "I am the Lord, your God... You shall have no other gods before me" (Ex 20:3). The Lord alone is God; he must be the ultimate center of our lives and our values, rather than some object, image, or idea of our own making. All of us are tempted to this kind of idolatry: to turn away from the true God and to fashion a false god that is no more than a projection of our own selfish desires. Such idols then demand our worship and sacrifices (cf. vv. 4-5). How often in our world does money become an idol to which we are willing to sacrifice our children, by ignoring them or even by refusing to bring them into the world? In the end, idols enslave; they promise a happiness that they simply cannot deliver. The worship of the true God, on the other hand, teaches us, in love, to find freedom, happiness and life in abundance. Let us ask for the grace to make God the center of our lives, to reject every temptation to idolatry, and to open our eyes to the divine love that alone brings lasting joy and fulfillment.

***** **JOIN US IN A NOVENA FOR THE LEGAL PROTECTION OF HUMAN LIFE.**

The U.S. bishops invite you to participate in a nationwide Novena for the Legal Protection of Human Life. Each Friday, **August 3–September 28**, you can join with thousands across our nation as we **pray and fast** that a change in the U.S. Supreme Court will move our nation closer to the day when every human being is protected in law and welcomed in life. To download the Novena or for more info, go to www.usccb.org/pray or call Rachelle at 701-356-7910. The weekly prayer is printed below. A sheet on ideas for fasting was attached to last week's bulletin.

PRAYER for August 10: May a change in the U.S. Supreme Court move our nation closer to the day when every human being is protected in law and welcomed in life. Our Father..., Hail Mary..., Glory Be... FAST: Offer a sacrifice for the intention. **LEARN:** If Roe is overturned, the democratic process—not the courts—will determine abortion policy. If Roe is overturned, abortion policy will be decided through the democratic process in each state. Before Roe, all states permitted abortion if necessary to save the mother's life, and some permitted abortion in additional circumstances.(1) But Roe deemed any prohibition on abortion as unconstitutional. If Roe is overturned, policy decisions about abortion will be made by the citizens of each state through the democratic process, rather than by courts. Some states will place limits on abortion, in others there will likely be few limits.(2)
