**POPE FRANCIS
GENERAL AUDIENCE
St. Peter's Square**

Wednesday, 5 September 2018

Dear brothers and sisters: In our continuing catechesis on the Ten Commandments, we now consider the command to keep holy the Lord's Day. For the Scriptures, this day of rest is not a mere escape or diversion, but a command to imitate God himself, who on the seventh day rested from his works and contemplated the goodness of his creation. Our day of rest, like his, must be an occasion of joy, praise, and thanksgiving for the gift of life, culminating in our celebration of the Eucharist, the supreme act of thanksgiving given to us by the Lord himself. How easy it is to be negative, to dwell on life's problems and challenges, and to try to flee from them! On the other hand, accepting God's invitation to give thanks for the goodness of life and creation entails a conscious choice. Goodness, like love, is never forced on us; it must be freely chosen and accepted. When, on our weekly day of rest, we contemplate our lives and the world around us, let us be conscious of God's provident care and conform ourselves, like Jesus, to the Father's will, knowing that, in the end, "all is grace". For, as the Psalmist assures us, in God alone do our souls find rest.

The weekly prayer is below.

PRAYER for September 14: May a change in the U.S. Supreme Court move our nation closer to the day when every human being is protected in law and welcomed in life. *Our Father... Hail Mary... Glory Be...* **FAST:** Offer a sacrifice for the intention. **LEARN:** Abortion fails women. Abortion is often portrayed as essential for women to achieve freedom and equality with men, yet many report feeling some degree of pressure or aborting to please someone else—often their partner.(1)
