*POPE FRANCIS—Excerpt from the GENERAL AUDIENCE
San Damaso courtyard—Wednesday 23 September 2020*

Dear Brothers and Sisters,I wish you a good morning....!

To emerge better from a crisis like the current one, which is a health crisis and is, at the same time, a social, political and economic crisis, every one of us is called to assume responsibility for our own part, that is, to share the responsibility. We must respond not only as individual people, but also from the groups to which we belong, out of the roles we have in society, from our principles and, if we are believers, from our faith in God. Often, however, many people cannot participate in the reconstruction of the common good because they are marginalized, they are excluded or ignored; certain social groups do not succeed in making a contribution because they are economically or socially suffocated. In some societies, many people are not free to express their own faith and their own values, their own ideas: if they express them freely, they are put in jail. Elsewhere, especially in the western world, many people repress their own ethical or religious convictions. This is no way to emerge from the crisis, or at least to emerge from it better. We will emerge from it worse.

So that we might be able to participate in the healing and regeneration of our peoples, it is only right that everyone should have the adequate resources to do so (see *Compendium of the Social Doctrine of the Church* [CSDC], 186). After the great economic depression of 1929, Pope Pius XI explained how important the *principle of subsidiarity* was (see Encyclical *Quadragesimo anno*, 79-80). This principle has a double movement: from top to bottom and from bottom to top. Perhaps we do not understand what this means, but it is a social principle that makes us more united....

ALL PARISH ANNOUNCEMENTS

54-DAY ROSARY MIRACLE NOVENA is currently being prayed by Catholic Christians asking for God's peace and blessings for our beloved country. For the first 27 days (**August 15 – September 10**) the rosary was prayed each day begging the Lord for the intention of peace and blessings for our country surrounding the November election. This novena follows the format given by the Blessed Virgin Mary to Fortuna Agrelli in the late 1800's. Mary said, "Whoever desires to obtain favors from me should make three novenas of the prayers of the Rosary in petition and three novenas in thanksgiving."

We are now in the last 27 days (**September 11 – October 7**) praying the rosary each day to thank the Lord in faith, believing this favor has already been granted. When praying this novena, you pray the Joyful Mysteries on the first day, the Sorrowful Mysteries on the second day, and the Glorious Mysteries on the third day. You then continue repeating this pattern in the following days regardless of what day of the week it is. You can substitute this Novena for your daily rosary. May God's peace and blessing reign in our beloved country. Fr. Moen

A SECOND COLLECTION FOR THE RELIGIOUS EDUCATION PROGRAM will be taken in both our parishes for an additional weekend, **Sept. 26 & 27**. This collection will be used for workbooks, supplies, and other religious ed. needs. Thank you for your support.

STEWARDSHIP MOMENT—SEPTEMBER 27, 2020 – TWENTY-SIXTH SUNDAY IN ORDINARY TIME: "Do nothing out of selfishness; rather, humbly regard others as more important than yourselves..." - Philippians 2:3 Pride and ego are hard things to control. We see how others act or dress and think we are superior to them. We idolize our own self-image. But, if we truly believe everything is a gift from God, we recognize all the people that God has put in our lives as gifts! We are grateful for how they enrich our lives. Pray every day for the people in your life: your family, your friends and those who make you angry.
